

Insurance – Teagasc, the conference organisers, do not provide Travel or Personal Accident insurance cover for EGF 2018, therefore delegates should have their own Travel/Personal Accident Insurance cover for the duration of the trip.

Weather - In the month of June Cork has a median temperature of 13°C with daytime temperatures generally reaching 17°C and lows dipping to 9°C at night, so be prepared with a warm jacket. Additionally, there is the likelihood of showers or rain.

What to pack – For the Grazing Working Group, the Mid-Conference Tour and the Post-Conference Tour delegates are advised to pack suitable outdoor rainproof wear, a warm jumper/jacket and appropriate footwear for walking outdoors. Delegates should also bring sun screen.
